

Lifestyler

131m²

 3 Bedrooms  1 Living area  2 Bathrooms

The Lifestyler is a well proportioned family home with three bedrooms, a separate scullery and laundry. The main bedroom, en-suite and walk-in-robe are set off from the kitchen and, through clever design, create a generous private space, tucked away from the main living area and other bedrooms.

The kitchen is also well proportioned, easily accommodating a family and flexible enough to host a crowd with different configurations possible to suit your tastes. The classic Lockwood sarked timber ceilings combined with laminated beams and extra high joinery create a light filled and spacious environment. Maximising views and making the most of indoor-outdoor living is at the heart of this popular design.

As with all ReadyBuilt homes, the Lifestyler is customisable and can be ordered to suit your style. Reflect your personality with your choice of kitchen, bathroom, scullery and laundry fit-out. A mixture of VG Pine and low maintenance extruded aluminium cladding allow for exterior feature walls and changes to the exterior colour, joinery and within the same wall openings are all possible.

Constructed under cover in our purpose built yard in Rotorua, ReadyBuilt homes can be built quickly, without being affected by the weather and other on-site delays. Getting into a new Lockwood home couldn't be easier.
