The Lifestyler is a well proportioned family home with three bedrooms, a separate scullery and laundry. The main bedroom, en-suite and walk-in-robe are set off from the kitchen and, through clever design, create a generous private space, tucked away from the main living area and other bedrooms.

This design is also available in a monopitch roofline with high raking timber ceilings. Talk to us about the various options for a ReadyBuilt home on your site.
