

Teoteo

70m²

 2 Bedrooms  1 Living area  1 Bathrooms Laundry

The Teoteo is a smart little home that looks and feels much bigger than its footprint. At the heart is a light-filled open-plan living area, with two spacious bedrooms on either side. Handy extras like a separate toilet, storage, and laundry are neatly tucked away at the back. There is the option of a simple, more affordable monopitch roofline too.
