The Homestead is our newest ReadyBuilt design, and at 136m² it's our biggest relocatable home, able to be moved in one go. All the standout features from the popular 3 bed Lifestyler have been captured in this plan, with a new dedicated entrance and four bedrooms making our new Homestead the perfect family home. Open, bright and boasting a separate master with en-suite and walk in robe, it's a contemporary option just perfect for either a rural or urban environment, and waiting for a growing family to make it their new Homestead.
